Year of Report : 2009-2010

PART – A

The outcome achieved of the Plan of action for 2010-2011.

1. To achieve this, preparation of SSR is underway, and the annual report of the College for 2010-2011 has been prepared and submitted to NAAC.
2. Pressure has been made, and an initial installment of Rs.342.46 lakhs has been released. As the construction work is to be done through some approved contractors in which the college authority has very little say, clearance of the site for the construction has been done.
3. An amount of Rs.5.00 lakhs was received from Dr L.Dath, Head, HRD Division, for renovation for teaching laboratories of the College. The same was spent for the purpose, it was sanctioned.

Regarding construction of standard Women's Hostel, construction work has not been resumed as no more installment of the remaining fund is received following submission of the Utilization Certificate.

4. (i). Fund has been sought for purchasing Electronic Note-books for distribution among teaching staff for improvement and upgradation of teaching quality. For this, Zirsangliana Paite, Asst. Professor attended the Interface Meeting in Guwahati on 28th Jan.2011, and submitted proposal of additional grant of Rs.25 lakhs.
(ii). Steps have been taken for obtaining stable broadband connection from private firm since the service of BSNL (now in use) is not reliable at all.
(iii). Funds have been sought for installing digital projectors in every classroom.
5. Reconstruction and reshuffling of sub- committee had not yet been done owing to some internal incongruity.
6. As of new measures for enhancement of quality of teaching in this college, circulars were served on emphasis of English in the course of classroom lectures thereby minimizing dictation of ready-made notes to encourage students to read as much and wide as possible.
7. As the college had no students of III BA in practical-bearing subjects, study four was not organised.
8. Besides the measure mentioned in Sl. No. C, teaching staff were intimated to award justified and deserved marks to students who had the good knacks of reproducing their knowledge in their own style of writing especially in descriptive answers.
9. With the sanction of Grants-in-aid from UGC, Regional Office, Guwahati amounting to Rs. 5,500,000/-, 44(forty four) items of sports equipments were purchased from D.Light Enterprise, Aizawl.
10. As extension of Office building, a recreation centre measuring 104.5 sq.ft. was constructed (Assam type) for TV Grade Staff.
11. Provision of purified water could not be done owing to non-availability of fund..
12. Computerization of library services had not been completed..

The outcome achieved of the plan of action for 2009-2010.

1. The amount released of the sanctioned amount (Rs.2,00,000/-) amounting to Rs. 1,00,000/- has been utilized for construction of BCA Laboratory building, about 50% of the works being done so far. The sanctioned amount due to be released is eagerly awaited.
2. The proposal for construction of a standard Women's Hostel estimated at Rs.40, 00,000/- was submitted on 21.3.2010. The proposal was accepted and half of the estimated cost amounting to Rs.20, 00,000/- was released. Utilizing the released grant, about 50% of the construction has been done so far. The balance grant yet to be released is eagerly awaited.
3. An application for filling up of all vacant posts (teaching) was submitted on 29.10.2010. However, filling up of all sanctioned vacant posts on regular basis has not been done. Instead, the government sanctioned ten part-time lecturers to cope with the immediate need of the college.
4. At the same time, an application of requirement of 10(ten) contract lecturers, on regular post of lecturer and 3(three) contract lecturers for BCA was submitted on 15.7.2010. Of these requirements, only 6(six) contract lecturers and 3(three) part-time lecturers (BCA) were appointed.
5. Assessment of teachers of students was conducted in the last week of October, 2009. The questionnaires answered were examined and studied by the IQAC of the college. Parts of the finding seemed befitting have been used as means of encouragement and requests to improving teaching quality to teachers found/observed in need of.
6. During the reporting period, the college has 10(ten) Peer Educators in the Red Ribbon Club selected from each class.

The Red Ribbon Club sponsored the prizes of debate competition held during the College Week on the motion – “Use of Condom is effective for preventing the spread of AIDS”, and spent Rs.1,00/-.

The Club also sponsored the essay writing competition organized during the college week both in English and Mizo on the topic-

- (i) English – “Role of the Students in preventing the spread of AIDS”;

- (ii) Mizo – “Mizo thalaite leh AIDS” and spent Rs.2,000/- towards the prizes.

The RRC sponsored the new jerseys of our college Volleyball Men’s Team at the IX Mizoram University Sports Meet, the logo of RCC being printed on the jerseys as means of advertisement and awareness.

9(nine) Peer Educators of the college RCC attended the Peer Educators Training Organised by MSACS at Aizawl on 26th-27th Oct. 2010.

7. This College participated in the IX Mizoram University Sports Meet held in Aizawl on Oct. 2010. Though our college team did not get medals, two students namely Lalrinpuii and Lalhlimpuii were selected to represent Mizoram University Team in All India University Sports in volleyball. Moreover, three students, namely Lawmsangpuia, Lalramsanga and Jacob Lalnunhlima were selected to represent Mizoram University Team in football at All India University Sports, 2010.
8. Making of incentive cash award, although chalked out among plans of action, could not be done as the college did not produce top-ranking students in science.
9. Application for incentive cash extension of (Honours) affiliation for certain subject was submitted to Mizoram University on 4.4.201. Following this the Inspection Team visited and inspected the college on 30.11.2010, the result being awaited now.

10. **NER Package support to undergraduate colleges in DST-FIST Program**

3. **Renovation of Teaching Laboratory:** For renovation of teaching laboratory, amount of Rs 5 lakh was received on 10/12/08 and another Rs 5 lakh is expected from DST through NEIST (North East Institute of Science and Technology) Jorhat.

With this fund, the laboratory complex was extended to two rooms viz., Botany and Physics Laboratories and long tables for chemistry, botany & zoology laboratories were made.

Mr. Zirsangliana Paite, the appointed nodal officer for this funding, attended the expert committee meeting on S&T Support to North-East Region (NER) under FIST Programme of DST-New Delhi during November 24-26, 2010 at NEIST, Jorhat, Assam.

11. The College has published a revised and enlarged prospectus, 2009-2010.

12. The construction of a Standard Women's Hostel and the combine laboratory of science (additional) and Computer set out as plan of action for 2008-2009 was started during 2009-2010 because of late release of the funds proposed and applied for. And with the release of the first installment of the funds, about half of the Constructions were done.

PART – B

1. **Activities reflecting the goals and objectives of the institution.**

The goals and objectives may be put under two main heads: making and maintaining buildings/rooms to accommodate well students of various disciplines, and to give the kind of education to Students in line with the name of the department – Human Resources Development.

(a) Buildings :

- (i) Construction of Women's Hostel was started on 3.5.2010 under UGC fund, the first installment amounting to Rs.20,00,000/-, the Total estimate accepted being Rs.41,00,000/- , about 50% the work being done.
- (ii) Construction of Combined Additional Science Laboratory and Computer Laboratory. With the initial sanction of Rs.7,00,000/-, about half of the Construction has been done.
- (iii) Renovation have been done in Computer rooms
- (iv) Proposal and estimate for Major reconstruction of the main building (Class rooms) amounting to Rs.10.75 crores has been submitted and was earnestly be pursued to the Govt. of Mizoram.

Of the estimated amount of Rs.10.75 crores, Rs.951.29 lakhs has been approved and Rs.342.46 lakhs has been sanctioned as first installment.

- (v) With the sanction of Rs.5.00 lakhs from DST, Jorhat, renovation of sciences laboratories have been done for which the sanction was granted.

(b) Quality Education ; As the College situates in a remote corner of the Country, and as it has only one regular +2 level of education as its main feeder, students with low percentage of marks (weak students) it has to formulate special

means of teaching in order to enable the students pass the Examination and to have the resources of the students developed simultaneously.

For this, a special meeting of all teachers and students was organized in the month of June where lectures on (i) the need of quality education in this era of 'Survival of the fittest' again becomes the hard fact (ii) and on Career opportunities were given.

Again, special means of Screening Students was introduced in internal Examination to give awareness and need on discarding dawdling education.

Moreover, the college has prepared to meet the necessity of semester system of education to be started during 2010-2011 and newly formed Academic and Moderation Committee.

2. **New Academic Programmes Initiated (UG)**

As a first step, the College initiated and started BCA as a new Academic Programme in the under-graduate Courses of the College from the Academic year of 2009-2010. There are five(5) teaching staff and two(2) non-teaching staff. All the teaching staff are on temporary basis. No permanent and contract teachers have been provided by the Government of Mizoram. Out of the five teachers, three were appointed on part-time basis and their form of service ended on 30th Nov. 2010. After December 2010, no teachers have been provided by the government on any basis till the reporting date. The salary of the teachers has been met from the college internal resources. However, the opening permission was obtained from the Govt. of Mizoram and the affiliation from Mizoram University.

3. **Innovations In Curricular Design and Transaction.**

As curricular design is done by the University, the College has no direct hand in this matter. However, thirteen teachers of this College have been Members of Board of Studies and of Schools where curricular design is done. (Detail being given under Citation Index of Faculty).
